

ECOBlend

ORGANIC EQUINE AND LIVESTOCK INSECT REPELLENT 64 oz

- NON-TOXIC
- CONCENTRATE
- REPELS MOST BITING INSECTS
- WORKS UP TO A WEEK
- GREAT FOR USE IN MISTING SYSTEMS

PRODUCT DETAIL:

EcoBlend's Organic Insect Repellent for Equine, Livestock and Misting Systems offers a natural alternative for your livestock animals. Can be used on all livestock and will repel biting insects for up to a week. Can be used as needed to repel biting insects.

DIRECTIONS FOR USE:

Mix one part concentrate with one part water for best results. For larger areas add one part concentrate to two parts water. Concentrate can be used directly on animals without dilution for best results. For external use only. Apply a liberal quantity to the animals coat. Rub in well. Re-apply to animal every week, after bathing or as needed to repel insects, ticks and other pests. Recommended dilution is one to ten with water for misting systems to repel flying insects.

ACTIVE INGREDIENTS:

Soybean Oil (8%), Cedarwood Oil (1%), Lemongrass Oil (5%), **INERT INGREDIENTS (91.5% TOTAL):** Purified Water, Coconut Oil, Castor Oil, Glycerin Monostearate, Citric Acid, Wintergreen Oil, Sodium Carbonate, Sodium Benzoate.
